

## Riverina Regional Library Book Club Guidelines – 2020

### Book Club Program

The Riverina Regional Library Book Club (RRL Book Club) is for library members who would like to lead or join a book club across any one of the 10 local government areas served by RRL, those being the shires of Bland, Coolamon, Federation, Greater Hume, Cootamundra-Gundagai, Junee, Lockhart, Temora, Snowy Valleys and the City of Wagga Wagga.

#### Overview:

- Groups of up to ten people wishing to get together once a month to share their love of reading with others are invited to form a club and nominate a group leader.
- Each group can have up to 10 members with a suggested minimum of six.
- Fees: \$400 (including GST) for membership and administration per club to be paid by January and covers the group until the program concludes in November each year.
- Clubs provide their own venues.
- Ten book club kits will be available to each group with clubs meeting monthly from February to November. The book club program offers a large range of titles including fiction and non-fiction. Book Club members are encouraged to suggest new titles.

#### Membership

- The Book Club program is available to members of the Riverina Regional Library (RRL). For non-library members joining is easy and free for residents, simply visit the nearest branch of the Riverina Regional Library and provide proof of current residential address or join online via the website [www.rrl.nsw.gov.au](http://www.rrl.nsw.gov.au)
- Each club is to be made up of a maximum of ten (10) members. A minimum of six (6) members is recommended. A group leader must be nominated and will be responsible for liaising with the library and collecting and returning all book kits by the due date. The group leader is also responsible for collecting annual membership fees and ensuring that all book club members have paid their fees. If a club wishes to have more than 10 members, they are responsible for locating additional copies of the books.

#### Membership Entitlements

- Members of the RRL Book Club program are entitled to borrow up to ten (10) different book club kits between January and November. The funds raised through membership fees will help to finance additional book club kits.
- Titles will be selected by the library according to availability. Title requests will be taken into consideration and honoured where possible.
- The library will provide tips on running a successful book club.

## RRL Book Club Kits

- RRL Book Club Kits comprise 10 copies of the one title, together with background notes and discussion questions. Where available, kits may also contain a DVD and/or talking book version of the title.
- Book club kits are issued under one club membership card, which will be issued to the nominated RRL Book Club leader upon registration and payment of RRL Book Club membership fees.
- A range of titles will be offered including fiction and non-fiction. RRL Book Club members will be asked to make suggestions for future book purchases each calendar year.
- The library welcomes these suggestions but cannot undertake to purchase every title suggested.

## Membership Obligations

### Fees and Charges

- Annual memberships or renewals commence at the end of the previous calendar year. Clubs who join the service after January will have their fees charged at a pro-rata rate.
- Annual membership fees are:
  - \$400 (including GST) per book club for membership and administration (background notes and discussion questions, processing of the books, transport and handling of book kits around RRL branch libraries),
  - Fees will be reviewed on an annual basis.
- Membership fees are to be paid prior to collection of the first book club kit. Fees can be paid by cash, cheque or money order. Payments will be accepted at the circulation desk of your local library branch. **Cheques and money orders are to be made payable to your local council.**

### Loan Period

- The Loan period for book club kits is six (6) weeks. Book club kits must be returned on time by the due date with all titles intact or Riverina Regional Library late fees will apply. No club can have more than two kits on loan at any one time.
- If Book Club members have not finished reading their designated book by the end of the loan period and wish to do so, they may be able to borrow the same title from the library's lending collection.

## **Late, Damaged or Lost Books**

- The nominated Book Club leader is responsible for following up any late books. If books have been lost or damaged, **full replacement cost must be paid before the next Book Club kit is issued**. The replacement cost for RRL Book Club books is \$40, which covers GST, postage and processing costs. The kit should be returned as soon as possible, with the replacement fee.
- In the event of lost or damaged books, Book Club members should notify their club leader as soon as possible so appropriate arrangements can be made. When a book is lost the club leader will inform the member of the cost of replacing the book. Replacement books will not be accepted in lieu of payment. Damaged books may incur penalties for the club. Penalties may include loss of membership privileges.

## **Book Club Leader Responsibilities**

- Co-ordinating the Book Club – venue, meeting time and members.
- Collecting membership fees from each member in their club.
