Your Wish List 2020

To help us with your Book Club selections, consult with club members to select your choices, and then fill in the following form and return it to your branch library.

We will always try to send books from your Wish List, but if your choices are not available, we will send you a random choice along with a note explaining this. Remember, part of the beauty of Book Club is reading books that you may not have chosen yourself.

If there are any titles you do not wish to read, please add them to the *No Thanks* list. (Please Note: This is not a list of books that you have already read, we have a record of your past loans with the RRL Book Club)
